

Standard service

Respironics V200 and Esprit Critical Care Ventilators extended warranties

Standard Extended Warranties support customers who desire complete service on their Respironics V200 or Esprit Ventilators. You can be confident that your ventilators will be serviced on time and the right way by product experts.

Standard Extended Warranty package

- All repair and preventive maintenance* parts
- All repair and preventive maintenance * labor
- All repair and preventive maintenance * travel
- Respi-Link (option B) - remote base software and enhanced option installation plus remote diagnostic support
- Repair priority
- Extended Warranty Uptime Guarantee

* Preventive maintenance included only if a Silver, Gold or Platinum PM Plan is purchased

Items not covered by a Standard Extended Warranty include accessories external to the ventilator such as, but not limited to, carts, filters, oxygen sensors, oxygen hoses, patient circuit components, humidifiers, humidifier accessories, back-up batteries and external batteries.

Extended Warranty Uptime Guarantee

Philips Hospital Respiratory Care Services guarantees that any Respironics V200 or Esprit Ventilator will not be out of service due to a failure for more than four days per calendar year or we will extend the extended warranty on that device as indicated below.
