

OEM Ventilator Tester Trade In Promotion

Trade in your OEM ventilator tester (including but not limited to the Allied RT-200 Flow Analyzer, Fluke VT Plus, Fluke VT Mobile, Puritan-Bennett PTS 2000) and we will take 12% off the list price of any Certifier Plus model. We will also take a trade-in on the original Certifier FA Gas Analyzer.

Initially, you will be charged full price for the Certifier Plus but when we receive your OEM ventilator tester you will receive a credit as specified in the table below.

Part Number	Description	List Price	Credit upon return of OEM Device
1040310	Certifier Plus Kit with High Flow Module	\$3,995	\$479
1040311	Certifier Plus Kit with High Flow Module and O2 Sensor	\$4,290	\$514
1040312	Certifier Plus Kit with High and Low Flow Modules and O2 Sensor	\$5,085	\$610

This promotion expires on September 30, 2009.

This promotion cannot be combined with any other Certifier promotion.
