

Standard service

Respironics PLV Continuum II Ventilator extended warranties

Standard Extended Warranties support customers who desire complete service on their Respironics PLV Continuum II Ventilators. You can be confident that your ventilators will be serviced on time and the right way by product experts.

PLV Continuum II Depot Extended Warranty package

- All repair and preventive maintenance* parts
- All repair and preventive maintenance* labor
- Priority repair
- Return shipping to customer

* Included only if a preventive maintenance plan is purchased

Items not covered by a Depot Extended Warranty include accessories external to the PLV Continuum II ventilator such as, but not limited to, carts, filters, oxygen sensors, oxygen hoses, patient circuit components, humidifiers and humidifier accessories.

Long-term storage

The internal battery must be recharged in ventilators left unplugged for more than four months. An on-site battery charging service is available to customers who do not have the time or resources to maintain the battery charge.

On-site battery charging service*

- Unboxing and reboxing the units
 - Charging the battery
 - Functional test
- * The storage facility must have AC power and adequate space.

Part Number	Description
1054798	On-site battery charging service (units 1-5)
1054799	On-site battery charging service (each unit after the 5th)
