## Respironics V60 Ventilator extended warranties

First Response Extended Warranties support factory trained customers who service their own Respironics V60 Ventilators. You provide the preventive maintenance and repair labor, and we will provide the parts and remote assistance with the Respi-Link Remote Diagnostic System and our expert technical support staff. If you still have trouble, we will priority dispatch a field service specialist to complete the repair at no additional charge.

### The First Response Extended Warranty package

- All repair parts
- Repair labor if an on-site back-up visit is required
- Repair travel if an on-site back-up visit is required
- Repair priority if an on-site back up visit is required
- Respi-Link (Option B) - remote base software and enhanced option installation plus remote diagnostic support

Items not covered by a First Response Extended Warranty include accessories external to the ventilator such as, but not limited to, carts, filters, oxygen sensors, oxygen hoses, patient circuit components, humidifiers and humidifier accessories.
