Respironics V60 Ventilator service agreements

Preventive Maintenance Service Agreements support customers who desire to repair their own Respironics V60 Ventilators but don't have time to do the preventive maintenance service. You can be confident that your ventilators will be maintained on schedule by product experts.

Annual preventive maintenance service

- Installation of preventive maintenance parts
- Complete system final test
- Electrical safety test
- Interior and exterior cleaning
- Latest base software upgrade (upon request)
- Visual inspection
- Up to \$100 (list price) in minor cosmetic repairs

Items not covered by a Preventive Maintenance Service Agreement or Per-Call Preventive Maintenance Service include travel and accessories external to the ventilator such as, but not limited to carts, main flow bacteria filters, oxygen sensors, oxygen hoses, patient circuit components, humidifiers and humidifier accessories.
